Proper Citation: Cochrane Library (RRID:SCR_013000)

Description: Contains data to inform healthcare decision-making from Cochrane and other systematic reviews, clinical trials, and more. Cochrane reviews bring you the combined results of the worlds best medical research studies, and are recognized as the gold standard in evidence-based health care. Consists of a regularly updated collection of evidence-based medicine databases, including The Cochrane Database of Systematic Reviews. This database includes systematic reviews of healthcare interventions that are produced and disseminated by The Cochrane Collaboration. It is published on a monthly basis and made available both on CD-ROM and the Internet. The review abstracts are available to browse and search free of charge on this website. The Cochrane Library Users' Group (CLUG) provides a forum for discussion of usability, readability, searchability, and formatting issues related to the use of The Cochrane Library. The Cochrane Collaboration is an international not-for-profit and independent organization, dedicated to making up-to-date, accurate information about the effects of healthcare readily available worldwide. Funded by John Wiley and Sons Limited. The individual entities of The Cochrane Collaboration are funded by a large variety of governmental, institutional and private funding sources, and are bound by organisation-wide policy limiting uses of funds from corporate sponsors.

Abbreviations: Cochrane Library

Synonyms: The Cochrane Library, Cochrane Library

Resource Type: data or information resource, database

Keywords: clinical trial, decision, healthcare, medical, medicine, research, scientific literature databases and services, systematic, FASEB list

Resource Name: Cochrane Library

Resource ID: SCR_013000

Alternate IDs: nif-0000-21389

Record Creation Time: 20220129T080313+0000

Record Last Update: 20260806T054555+0000

Ratings and Alerts

No rating or validation information has been found for Cochrane Library.
