Consortium for Functional Glycomics (CFG)

RRID:SCR_013689 Type: Tool

Proper Citation

Consortium for Functional Glycomics (CFG) (RRID:SCR_013689)

Resource Information

URL: http://www.functionalglycomics.org/static/consortium/consortium.shtml

Proper Citation: Consortium for Functional Glycomics (CFG) (RRID:SCR_013689)

Description: The Consortium for Functional Glycomics (CFG) serves to combine the expertise and glycomics resources to reveal functions of glycans and glycan-binding proteins (GBPs) that impact human health and disease. The CFG offers resources to the community free of charge, including glycan array screening services, a reagent bank, and access to a large glycomics database and data analysis tools.

Abbreviations: CFG

Resource Type: portal, data or information resource, organization portal, consortium

Keywords: glycomics, glycans, screening, reagent bank, reagent, database, data analysis,

Funding: Glyncominds Ltd. ; Kyowa Hakko Kogyo Co Ltd. ; Momenta Pharmaceuticals ; National Center for Research Resources ; National Institute for General Medicine Sciences ; National Research Council Canada ; Neose Technologies Inc. ; Otsuka Chemical Holdings Co. Ltd

Resource Name: Consortium for Functional Glycomics (CFG)

Resource ID: SCR_013689

Record Creation Time: 20220129T080317+0000

Record Last Update: 20250513T061503+0000

Ratings and Alerts

No rating or validation information has been found for Consortium for Functional Glycomics (CFG).

No alerts have been found for Consortium for Functional Glycomics (CFG).
