Rank Rank Hypergeometric Overlap

RRID:SCR_014024

Type: Tool

Proper Citation

Rank Rank Hypergeometric Overlap (RRID:SCR_014024)

Resource Information

URL: <http://systems.crump.ucla.edu/rankrank/rankranksimple.php>

Proper Citation: Rank Rank Hypergeometric Overlap (RRID:SCR_014024)

Description: Software tool that compares two gene expression signatures. Each signature is processed as a ranked list based on expression differences between two classes of samples. The signatures can be input either as raw expression data and sample and class labels, or as a preranked gene list.

Abbreviations: RRHO

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Defining Citation: [PMID:20660011](#)

Keywords: algorithm, gene expression, gene expression signature, raw expression data, preranked

Availability: Free, Available for download, Freely available,

Resource Name: Rank Rank Hypergeometric Overlap

Resource ID: SCR_014024

Alternate URLs: <http://www.bioconductor.org/packages/release/bioc/html/RRHO.html>,

License URLs: <http://oip.ucla.edu/graeber-lab-bioinformatic-software>

Record Creation Time: 20220129T080318+0000

Record Last Update: 20260905T132742+0000

Ratings and Alerts

No rating or validation information has been found for Rank Rank Hypergeometric Overlap.

No alerts have been found for Rank Rank Hypergeometric Overlap.
