Proper Citation: Integrated Islet Distribution Program (IIDP) (RRID:SCR_014387)

Description: The goal of the Integrated Islet Distribution Program (IIDP) is to work with the leading islet isolation centers in the U.S. to distribute high quality human islets to the diabetes research community, in order to advance scientific discoveries and translational medicine.

Abbreviations: IIDP

Synonyms: Integrated Islet Distribution Program

Resource Type: resource, organization portal, data or information resource, portal

Keywords: program, islet, distribution, diabetes

Related Condition: Diabetes

Funding: NIDDK

Resource Name: Integrated Islet Distribution Program (IIDP)

Resource ID: SCR_014387
