[SortMeRNA](#)

RRID:SCR_014402

Type: Tool

Proper Citation

SortMeRNA (RRID:SCR_014402)

Resource Information

URL: <http://bioinfo.lifl.fr/RNA/sortmerna/>

Proper Citation: SortMeRNA (RRID:SCR_014402)

Description: Sequence analysis software for filtering, mapping and OTU-picking NGS reads. SortMeRNA takes as input a file of reads (fasta or fastq format) and one or multiple rRNA database file(s), and sorts apart rRNA and rejected reads into two files specified by the user., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Defining Citation: [PMID:23071270](#), [DOI:10.1093/bioinformatics/bts611](#)

Keywords: sequence analysis software, filter, map, otu picking, ngs, sort, rna, rrna, bio.tools

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: SortMeRNA

Resource ID: SCR_014402

Alternate IDs: OMICS_02619, biotools:sortmerna

Alternate URLs: <https://bio.tools/sortmerna>, <https://sources.debian.org/src/sortmerna/>

License: GNU lesser general public license

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260905T132746+0000

Ratings and Alerts

No rating or validation information has been found for SortMeRNA.

No alerts have been found for SortMeRNA.
