Proper Citation: UniCarbKB (RRID:SCR_014410)

Description: International effort which has created a glycomics knowledgebase with access to a database of information on the glycan structures of glycoproteins. It serves as and promotes an online information storage and search platform for glycomics and glycobiology research. Open access knowledgebase offers resource supported by querying interfaces, annotation technologies and the adoption of common standards to integrate structural, experimental and functional data.

Resource Type: data or information resource, database

Defining Citation: [DOI:10.1093/nar/gkt1128](https://doi.org/10.1093/nar/gkt1128)

Keywords: knowledgebase, glycomics, glycerin structure, glycoprotein, cell line, glycoproteomics knowledge platform, bio.tools

Availability: Free, Freely available

Resource Name: UniCarbKB

Resource ID: SCR_014410
