Andor iQ

RRID:SCR_014461

Type: Tool

Proper Citation

Andor iQ (RRID:SCR_014461)

Resource Information

URL: <http://www.andor.com/scientific-software/iq-live-cell-imaging-software>

Proper Citation: Andor iQ (RRID:SCR_014461)

Description: A live cell imaging software that allows for control of iXon EMCCD and sCMOS cameras in synchronized combination with a number of additional imaging hardware devices. iQ can be used to run experiments to investigate dynamic processes in both single cells and multicellular systems, image fixed samples, and generate 3 dimensional image volumes for analysis.

Resource Type: data processing software, software application, image analysis software, software resource, image processing software

Keywords: image acquisition and analysis, iXon, sCMOS, EMCCD, live cell, 3d image

Availability: Public

Resource Name: Andor iQ

Resource ID: SCR_014461

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260814T042911+0000

Ratings and Alerts

No rating or validation information has been found for Andor iQ.

No alerts have been found for Andor iQ.

Data and Source Information

Usage and Citation Metrics

We found 255 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .

Gao E, et al. (2026) A cytosolic IF1 reporter enables real-time visualization of severe mitochondrial membrane damage. *The Journal of cell biology*, 225(8).

Wu Y, et al. (2026) Dapansutride preserves pancreatic beta-cell function by regulating insulin vesicle membrane fusion and mitochondrial homeostasis. *Diabetes, obesity & metabolism*, 28(4), 3054.
