## GEMINI

RRID:SCR\_014819

Type: Tool

---

### Proper Citation

GEMINI (RRID:SCR\_014819)

---

### Resource Information

**URL:** <https://gemini.readthedocs.io/en/latest/>

**Proper Citation:** GEMINI (RRID:SCR\_014819)

**Description:** Framework for exploring genetic variation in the context of the genome annotations available for the human genome. Users can load a VCF file into a database and each variant is automatically annotated by comparing it to several genome annotations from source such as ENCODE tracks, UCSC tracks, OMIM, dbSNP, KEGG, and HPRD.

**Synonyms:** GEnome MINIng (GEMINI), GEMINI - a flexible framework for exploring genome variation, Genome Mining, GEnome MINIng

**Resource Type:** software resource

**Defining Citation:** [DOI:10.1371/journal.pcbi.1003153](https://doi.org/10.1371/journal.pcbi.1003153)

**Keywords:** framework, genetic variation, annotation, human, genome, vcf, database, , bio.tools, FASEB list

**Availability:** Freely available

**Resource Name:** GEMINI

**Resource ID:** SCR\_014819

**Alternate IDs:** biotools:gemini

**Alternate URLs:** <https://github.com/arq5x/gemini>, <https://bio.tools/gemini>

**License:** MIT license

**Record Creation Time:** 20220129T080322+0000

**Record Last Update:** 20260905T132751+0000

---

## Ratings and Alerts

No rating or validation information has been found for GEMINI.

No alerts have been found for GEMINI.

---

## Data and Source Information
