# University of Washington Diabetes Research Center Vector and Transgenic Mouse Core

RRID:SCR\_015130

Type: Tool

### **Proper Citation**

University of Washington Diabetes Research Center Vector and Transgenic Mouse Core (RRID:SCR\_015130)

#### Resource Information

URL: http://depts.washington.edu/diabetes/viral-vector-and-transgenic-mouse/

**Proper Citation:** University of Washington Diabetes Research Center Vector and Transgenic Mouse Core (RRID:SCR\_015130)

**Description:** Core facility that provides Diabetes Research Center affiliates with vectors necessary to overexpress, knockdown, knockout, or alter expression of RNAs and proteins of interest in cultured cells, isolated tissues, and animals.

Resource Type: access service resource, core facility, service resource

**Keywords:** diabetes, metabolic disorder, clinical research, vector, overexpression, knockdown, knockout, rna, cultured cell, isolated tissue

**Related Condition: Diabetes** 

Funding: NIDDK P30DK017047

Availability: Open

Resource Name: University of Washington Diabetes Research Center Vector and

Transgenic Mouse Core

Resource ID: SCR\_015130

**Record Creation Time:** 20220129T080324+0000

Record Last Update: 20250429T055730+0000

## **Ratings and Alerts**

No rating or validation information has been found for University of Washington Diabetes Research Center Vector and Transgenic Mouse Core .

No alerts have been found for University of Washington Diabetes Research Center Vector and Transgenic Mouse Core .

## **Data and Source Information**
