Proper Citation: FMAToolbox (RRID:SCR_015533)

Description: Matlab toolbox used to help analyze electrophysiological and behavioral data recorded from freely moving animals.

Synonyms: FMA Toolbox, Freely Moving Animal Toolbox

Resource Type: software resource, data processing software, software application, data analysis software

Keywords: electrophysiology software, behavioral software, freely moving animal, matlab

Availability: Available for download, Acknowledgement requested

Resource Name: FMAToolbox

Resource ID: SCR_015533
