RootTrace

RRID:SCR_015585

Type: Tool

Proper Citation

RootTrace (RRID:SCR_015585)

Resource Information

URL: <https://www.cpib.ac.uk/tools-resources/software/roottrace/>

Proper Citation: RootTrace (RRID:SCR_015585)

Description: Software tool which allows the automatic and high throughput measure of root length, as well as extra associated measures such as curvature. The user must supply start points for each root, and exemplar patches of nearby background. The software will then trace the main root to the tip, in every image in a timeseries, and record the results.

Resource Type: software resource, data processing software, software application, data analysis software

Keywords: root length, root measurement, plant root, root bioinformatics

Availability: Available for download

Resource Name: RootTrace

Resource ID: SCR_015585

License: BSD License

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260804T043619+0000

Ratings and Alerts

No rating or validation information has been found for RootTrace.

No alerts have been found for RootTrace.
