Proper Citation: andi (RRID:SCR_015971)

Description: Software tool for rapidly computing and estimating evolutionary distance between closely related genomes. Because andi does not compute full alignments it scales even up to thousands of bacterial genomes.

Resource Type: image analysis software, alignment software, software application, data processing software, software resource, algorithm resource

Defining Citation: [PMID:25504847](#)

Keywords: algorithm, computing, estimate, analysis, genome, alignment, bio.tools

Funding: Deutsche Forschungsgemeinschaft Pf672/3-1

Availability: Free, Freely available, Available for download

Resource Name: andi

Resource ID: SCR_015971

Alternate IDs: OMICS_09287, biotools:andi
