Genome Annotation Generator

RRID:SCR_016053

Type: Tool

Proper Citation

Genome Annotation Generator (RRID:SCR_016053)

Resource Information

URL: <https://github.com/genomeannotation/GAG>

Proper Citation: Genome Annotation Generator (RRID:SCR_016053)

Description: Command line program to read, modify, annotate and generate genomic data. Can write files to .gff3 or to the NCBI's .tbl format.

Abbreviations: GAG

Synonyms: gag.py

Resource Type: data analysis software, source code, software application, software resource, sequence analysis software, data processing software

Keywords: genome, annotation, tbl, ncbi, command, line, code, modify, read, annotate, gff3, bio.tools

Availability: Free, Available for download

Resource Name: Genome Annotation Generator

Resource ID: SCR_016053

Alternate IDs: biotools:gag

Alternate URLs: <https://bio.tools/gag>

License: MIT License

Record Creation Time: 20220129T080328+0000

Record Last Update: 20260801T190534+0000

Ratings and Alerts

No rating or validation information has been found for Genome Annotation Generator.

No alerts have been found for Genome Annotation Generator.

Data and Source Information
