E-mem

RRID:SCR_016081

Type: Tool

Proper Citation

E-mem (RRID:SCR_016081)

Resource Information

URL: <http://www.csd.uwo.ca/~ilie/E-MEM/>

Proper Citation: E-mem (RRID:SCR_016081)

Description: Software for an efficient maximal exact match (MEM) computation program that does not use full text indexes, uses less space and is amenable to parallelization. It can be used as a stand alone application or a drop-in replacement for MUMmer3 system for rapidly aligning entire genomes.

Abbreviations: E-mem

Synonyms: E-mem: Efficient-maximal exact match

Resource Type: image analysis software, alignment software, software application, software resource, data processing software, standalone software

Defining Citation: [PMID:25399029](#)

Keywords: efficient, maximal, exact, match, compute, program, algorithm, application, sequence, alignment

Funding: Natural Sciences and Engineering Research Council of Canada (NSERC) Discovery Grant R3143A01 (L.I.).

Availability: Free, Available for download

Resource Name: E-mem

Resource ID: SCR_016081

Alternate IDs: OMICS_08451

Alternate URLs: <https://github.com/lucian-ilie/E-MEM>, <https://sources.debian.org/src/e-mem/>

Record Creation Time: 20220129T080328+0000

Record Last Update: 20260801T190535+0000

Ratings and Alerts

No rating or validation information has been found for E-mem.

No alerts have been found for E-mem.
