Proper Citation: Raven (RRID:SCR_016190)

Description: Software for the acquisition, visualization, measurement, and analysis of sounds. Raven supports annotations for research-related analysis.

Resource Type: data analysis software, data processing software, data visualization software, software application, software resource

Keywords: audio, sound, analysis, acquisition, visualization, bird, avian, birdsong

Availability: Free, Available for download, Available for purchase, Commercially available, Tutorial available

Resource Name: Raven

Resource ID: SCR_016190
