Proper Citation: NeuroPlex (RRID:SCR_016193)

Description: Software for acquisition and analysis for imaging applications. The acquisition section has a variety of triggering and averaging modes, while the analysis section has extensive provisions for displaying traces (intensity vs time) and movies of propagating activity.

Resource Type: image acquisition software, data processing software, data analysis software, software resource, software application, image analysis software, data acquisition software

Keywords: imaging, electrical, recording, acquisition, analysis, neuroimaging

Availability: Account required, Available for download

Resource Name: NeuroPlex

Resource ID: SCR_016193

Record Creation Time: 20220129T080329+0000

Record Last Update: 20260805T044349+0000
