Appion Package

RRID:SCR_016734

Type: Tool

Proper Citation

Appion Package (RRID:SCR_016734)

Resource Information

URL: http://emg.nysbc.org/redmine/projects/appion/wiki/Appion_Home

Proper Citation: Appion Package (RRID:SCR_016734)

Description: Software package for processing and analysis of EM images. Appion is integrated with Leginon data acquisition but can also be used stand-alone after uploading images (either digital or scanned micrographs) or particle stacks using a set of provided tools.

Abbreviations: Appion

Resource Type: data processing software, software resource, software application, image processing software, image analysis software

Defining Citation: [PMID:19263523](#)

Keywords: processing, analysis, electron, microscope, image

Funding: NCRR RR17573;
NCRR RR023093;
ARCS

Availability: Free, Available for download, Freely available

Resource Name: Appion Package

Resource ID: SCR_016734

Alternate URLs: <http://www.appion.org>

License: Apache Open Source License, Version 2.0

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260805T044358+0000

Ratings and Alerts

No rating or validation information has been found for Appion Package.

No alerts have been found for Appion Package.
