SynGO

RRID:SCR_017330

Type: Tool

Proper Citation

SynGO (RRID:SCR_017330)

Resource Information

URL: <https://syngoportal.org/>

Proper Citation: SynGO (RRID:SCR_017330)

Description: Evidence based, expert curated knowledge base for synapse. Universal reference for synapse research and online analysis platform for interpretation of omics data. Interactive knowledge base that accumulates available research about synapse biology using Gene Ontology annotations to novel ontology terms.

Synonyms: Synaptic Gene Ontologies

Resource Type: ontology, data analysis service, production service resource, service resource, analysis service resource, controlled vocabulary, data or information resource

Defining Citation: [PMID:31171447](#)

Keywords: Synapse, evidence, curated, base, reference, analysis, omics, data, ontology, gene, annotation

Funding: Stanley Center for Psychiatric Research at The Broad Institute of MIT and Harvard ;
European Union ;
CERCA Program/Generalitat de Catalunya ;
NINDS NS36251;
German Federal Ministry of Education and Research

Availability: Free, Freely available

Resource Name: SynGO

Resource ID: SCR_017330

Record Creation Time: 20220129T080334+0000

Record Last Update: 20260804T043650+0000

Ratings and Alerts

No rating or validation information has been found for SynGO.

No alerts have been found for SynGO.
