PILER

RRID:SCR_017333

Type: Tool

Proper Citation

PILER (RRID:SCR_017333)

Resource Information

URL: <https://www.drive5.com/piler/>

Proper Citation: PILER (RRID:SCR_017333)

Description: Software tool for analyzing repetitive DNA found in genome sequences. Software package for identification and classification of genomic repeats. Used for identifying patterns of local alignments induced by certain classes of repeats.

Resource Type: data processing software, data analysis software, software application, software resource

Defining Citation: [PMID:15961452](#)

Keywords: analysis, repetitive, DNA, genome, sequence, classification, alignment

Availability: Free, Available for download, Freely available

Resource Name: PILER

Resource ID: SCR_017333

Alternate URLs: <https://omictools.com/piler-tool>

Record Creation Time: 20220129T080334+0000

Record Last Update: 20260801T190601+0000

Ratings and Alerts

No rating or validation information has been found for PILER.

No alerts have been found for PILER.

Data and Source Information

Usage and Citation Metrics

We found 15 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
