OGDraw

RRID:SCR_017337

Type: Tool

Proper Citation

OGDraw (RRID:SCR_017337)

Resource Information

URL: <https://chlorobox.mpimp-golm.mpg.de/OGDraw.html>

Proper Citation: OGDraw (RRID:SCR_017337)

Description: Software package for graphical visualization of organellar genomes. Converts annotations in GenBank format into graphical maps. Used to create visual representations of circular and linear annotated genome sequences provided as GenBank files or accession numbers.

Abbreviations: OGDRAW

Synonyms: Draw Organelle Genome Maps, OrganellarGenomeDRAW

Resource Type: data processing software, data visualization software, service resource, software application, software resource, software toolkit

Defining Citation: [PMID:30949694](#)

Keywords: graphical, visualization, organellar, genome, convert, annotation, GenBank, format, map, DNA, sequence

Funding: Max Planck Society

Availability: Free, Freely available

Resource Name: OGDraw

Resource ID: SCR_017337

Record Creation Time: 20220129T080334+0000

Record Last Update: 20260829T182744+0000

Ratings and Alerts

No rating or validation information has been found for OGDraw.

No alerts have been found for OGDraw.
