Wisconsin-Madison University Biotechnology Center DNA Sequencing Core Facility

RRID:SCR_017759

Type: Tool

Proper Citation

Wisconsin-Madison University Biotechnology Center DNA Sequencing Core Facility
(RRID:SCR_017759)

Resource Information

URL: <http://www.biotech.wisc.edu/facilities/dnaseq/home>

Proper Citation: Wisconsin-Madison University Biotechnology Center DNA Sequencing Core Facility (RRID:SCR_017759)

Description: Core provides sequencing resources. Service support for Illumina Next Generation and Sanger sequencing projects, from project design and sample preparation through downstream analysis. Provides DNA extraction, SNP genotyping, and fragment analysis services, and can facilitate custom projects upon request.

Synonyms: UWBC DNA Sequencing Facility

Resource Type: access service resource, core facility, service resource

Keywords: Sequencing, next, generation, Sanger, design, sample, preparation, analysis, DNA, extraction, SNP, genotyping, service, core

Availability: Open

Resource Name: Wisconsin-Madison University Biotechnology Center DNA Sequencing Core Facility

Resource ID: SCR_017759

Alternate IDs: ABRF_294

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260805T044416+0000

Ratings and Alerts

No rating or validation information has been found for Wisconsin-Madison University Biotechnology Center DNA Sequencing Core Facility.

No alerts have been found for Wisconsin-Madison University Biotechnology Center DNA Sequencing Core Facility.
