Stanford University Cell Sciences Imaging Core Facility

RRID:SCR_017787

Type: Tool

Proper Citation

Stanford University Cell Sciences Imaging Core Facility (RRID:SCR_017787)

Resource Information

URL: <http://microscopy.stanford.edu>

Proper Citation: Stanford University Cell Sciences Imaging Core Facility (RRID:SCR_017787)

Description: Provides high resolution, light and electron microscopy technologies for imaging and analyzing molecular and structural organization of cells, tissue and bioengineered materials. Operates two sites at Stanford University: SOM Beckman Center CSIF and SOE Shriram Center CSIF.

Abbreviations: CSIF

Synonyms: Cell Sciences Imaging Facility

Resource Type: access service resource, core facility, service resource

Keywords: Light, electron, microscopy, imaging, analyzing, molecular, structural, cell, tissue, service, core

Availability: Open

Resource Name: Stanford University Cell Sciences Imaging Core Facility

Resource ID: SCR_017787

Alternate IDs: ABRF_397

Record Creation Time: 20220129T080337+0000

Record Last Update: 20260813T055154+0000

Ratings and Alerts

No rating or validation information has been found for Stanford University Cell Sciences Imaging Core Facility.

No alerts have been found for Stanford University Cell Sciences Imaging Core Facility.

Data and Source Information
