Type: Tool

Proper Citation

UC Health clinical data warehouse (RRID:SCR_018284)

Resource Information

URL: <https://www.ucop.edu/uc-health/functions/center-for-data-driven-insights-and-innovations-cdi2.html>

Proper Citation: UC Health clinical data warehouse (RRID:SCR_018284)

Description: Data warehouse using Observational Medical Outcomes Partnership standard to integrate patient data across University of California health systems. Data asset created by electronic health records from six health systems as well as claims data from UC self-funded health plans and external sources of data such as Vizient and California Office of Statewide Health Planning and Development. Shared data and analytic environment designed to improve research and patient treatments.

Resource Type: topical portal, data or information resource, portal

Keywords: Center for Data-driven Insights and Innovations, CDI2, clinical data warehouse, patient data, medical standard, University of California, health system, data integration

Related Condition: COVID-19

Resource Name: UC Health clinical data warehouse

Resource ID: SCR_018284

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260804T043655+0000
