Stan

RRID:SCR_018459

Type: Tool

Proper Citation

Stan (RRID:SCR_018459)

Resource Information

URL: <https://mc-stan.org/>

Proper Citation: Stan (RRID:SCR_018459)

Description: Probabilistic programming language for specifying statistical models. Defines log probability function over parameters conditioned on specified data and constants. Platform for statistical modeling and high performance statistical computation. Provides full Bayesian inference for posterior expectations including parameter estimation and posterior predictive inference by defining appropriate derived quantities of interest.

Resource Type: simulation software, software resource, programming language, software application

Defining Citation: [DOI:1509.07164](#), [DOI:10.18637/jss.v076.i01](#)

Keywords: Statistical model specification, statistical modeling, statistical computation, log probability function, parameter, data, constant, parameter estimation

Availability: Free, Available for download, Freely available

Resource Name: Stan

Resource ID: SCR_018459

License: BSD 3-clause "New" or "Revised" License

Record Creation Time: 20220129T080340+0000

Record Last Update: 20260814T043004+0000

Ratings and Alerts

No rating or validation information has been found for Stan.

No alerts have been found for Stan.
