Chinese National Compound Library

RRID:SCR_018723

Type: Tool

Proper Citation

Chinese National Compound Library (RRID:SCR_018723)

Resource Information

URL: <http://en.cncl.org.cn>

Proper Citation: Chinese National Compound Library (RRID:SCR_018723)

Description: Library with storage capacity of over million compounds possessing diversified structures. Coupled with this library will be advanced sample handling, information management and quality control systems. As important material and information resource, CNCL will work with both domestic and international stakeholders to promote sustained development of Chinese pharmaceutical industry.

Abbreviations: CNCL

Resource Type: data or information resource, portal, organization portal

Keywords: Library, compound library, compound, diversified structure, sample handling, information management, quality control, pharmaceutical industry

Resource Name: Chinese National Compound Library

Resource ID: SCR_018723

Record Creation Time: 20220129T080341+0000

Record Last Update: 20260812T044401+0000
