STAMP

RRID:SCR_018887

Type: Tool

Proper Citation

STAMP (RRID:SCR_018887)

Resource Information

URL: <https://beikolab.cs.dal.ca/software/STAMP>

Proper Citation: STAMP (RRID:SCR_018887)

Description: Open source software package for analyzing taxonomic or metabolic profiles that promotes best practices in choosing appropriate statistical techniques and reporting results. Graphical software package that provides statistical hypothesis tests and exploratory plots for analyzing taxonomic and functional profiles. Supports tests for comparing pairs of samples or samples organized into two or more treatment groups.

Synonyms: STAMP v2.1.3, statistical analysis of taxonomic and functional profiles

Resource Type: data visualization software, software toolkit, data analysis software, software application, software resource, data processing software

Defining Citation: [PMID:25061070](#)

Keywords: Statistical analysis, taxonomic profile, functional profile, metabolic profile, statistical hypothesis test, plot, sample, sample group, sample pair comparison, bio.tools

Funding: Genome Atlantic ;
Natural Sciences and Engineering Research Council of Canada ;
Australian Research Council ;
Canada Foundation for Innovation ;
Canada Research Chairs program ;
Dalhousie Faculty of Computer Science ;
Dalhousie Centre for Comparative Genomics and Evolutionary Bioinformatics ;
Tula Foundation Killam Trust

Availability: Free, Freely available

Resource Name: STAMP

Resource ID: SCR_018887

Alternate IDs: biotools:stamp-metagenomic

Alternate URLs: <https://github.com/dparks1134/STAMP>,
<https://github.com/dparks1134/STAMP/releases>, <https://bio.tools/stamp-metagenomic>

License: GNU GPL v3.0

Record Creation Time: 20220129T080342+0000

Record Last Update: 20260801T190625+0000

Ratings and Alerts

No rating or validation information has been found for STAMP.

No alerts have been found for STAMP.
