Proper Citation: University of British Columbia NeuroImaging and NeuroComputation Centre Core Facility (RRID:SCR_019086)

Description: Core facility at Djavad Mowafaghian Centre for Brain Health located at University of British Columbia Hospital on Point Grey campus in Vancouver, BC. NINC offers access to advanced imaging systems and computational resources including confocal and two photon microscopes, live cell imaging, optical coherence tomography, training students and researchers in neuroscience research techniques.

Abbreviations: NINC

Synonyms: University of British Columbia UBC NeuroImaging-NeuroComputation Centre, UBC NeuroImaging-NeuroComputation Centre

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, neuroimaging, neurocomputation, confocal microscopy, two photon microscopy, live cell imaging, optical coherence tomography, ABRF, ABRF

Resource Name: University of British Columbia NeuroImaging and NeuroComputation Centre Core Facility

Resource ID: SCR_019086

Alternate IDs: ABRF_1057

Alternate URLs: <https://coremarketplace.org/?FacilityID=1057>

Record Creation Time: 20220129T080343+0000

Ratings and Alerts

No rating or validation information has been found for University of British Columbia NeuroImaging and NeuroComputation Centre Core Facility.

No alerts have been found for University of British Columbia NeuroImaging and NeuroComputation Centre Core Facility.
