Proper Citation: tidyverse (RRID:SCR_019186)

Description: Software tool as collection of R packages designed for data science which share underlying design philosophy, grammar, and data structures. Packages work in harmony because they share common data representations and API design. Used in everyday data analyses.

Synonyms: tidyverse 1.3.0

Resource Type: data analysis software, data processing software, software application, software resource, software toolkit

Keywords: data science, R package, data analysis, common data representation

Availability: Free, Available for download, Freely available

Resource Name: tidyverse

Resource ID: SCR_019186

Alternate URLs: <https://www.tidyverse.org/>, <https://github.com/tidyverse/tidyverse>

License: GPL v3

Record Creation Time: 20220129T080343+0000
