ARTS biomarker

RRID:SCR_019288

Type: Tool

Proper Citation

ARTS biomarker (RRID:SCR_019288)

Resource Information

URL: <http://www.nitrc.org/projects/arts/>

Proper Citation: ARTS biomarker (RRID:SCR_019288)

Description: Software tool as automated biomarker that outputs score linked to likelihood person suffering from arteriolosclerosis based on brain MRI data and basic demographic information. MRI data processing pipeline and classifier are packaged into software container. Users do not need to perform any image processing, and are only required to install Singularity to run ARTS.

Synonyms: ARTS

Resource Type: data processing software, software resource, software application

Keywords: Automated biomarker, score output, arteriolosclerosis, brain MRI data, demographic information,

Availability: Restricted

Resource Name: ARTS biomarker

Resource ID: SCR_019288

Record Creation Time: 20220129T080344+0000

Record Last Update: 20260813T055225+0000

Ratings and Alerts

No rating or validation information has been found for ARTS biomarker.

No alerts have been found for ARTS biomarker.

Data and Source Information

Usage and Citation Metrics

We found 29 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
