Leica: TCS SP5 Broadband Confocal Laser Scanning Microscope

RRID:SCR_020233

Type: Tool

Proper Citation

Leica: TCS SP5 Broadband Confocal Laser Scanning Microscope (RRID:SCR_020233)

Resource Information

URL: <https://www.leica-microsystems.com/products/confocal-microscopes/p/leica-tcs-sp5/>

Proper Citation: Leica: TCS SP5 Broadband Confocal Laser Scanning Microscope (RRID:SCR_020233)

Description: Leica TCS SP5 is a broadband confocal microscope that provides the full range of scan speeds at the a high resolution. With its SP detection (five channels simultaneously) and optional AOBS (Acousto Optical Bream Splitter), the Leica TCS SP5 delivers bright, noise-free images with minimal photo damage at high speed. The system is also the platform for the new Leica DM6000 CFS (Confocal Fixed Stage) for physiological and electrophysiological experiments and for the new super resolution Leica TCS STED confocal microscope.

Resource Type: instrument resource

Keywords: Leica Microsystems, Leica, Confocal Laser Scanning Microscope, Broadband Confocal Laser Scanning Microscope, super-resolution confocal microscope, Instrument Equipment, USEDit

Availability: Commercially available

Specification URL: https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/main/PDF/SCR_020233.pdf

Resource Name: Leica: TCS SP5 Broadband Confocal Laser Scanning Microscope

Resource ID: SCR_020233

Alternate IDs: Model_Number_TCS SP5

Record Creation Time: 20220129T080349+0000

Record Last Update: 20260801T190653+0000

Ratings and Alerts

No rating or validation information has been found for Leica: TCS SP5 Broadband Confocal Laser Scanning Microscope.

No alerts have been found for Leica: TCS SP5 Broadband Confocal Laser Scanning Microscope.
