Leica: Reichert-Jung Ultracut E Microtome

RRID:SCR_020241

Type: Tool

Proper Citation

Leica: Reichert-Jung Ultracut E Microtome (RRID:SCR_020241)

Resource Information

URL: <https://www.labx.com/item/leica-reichert-ultracut-e-ultra-microtome-refurbished/4335005>

Proper Citation: Leica: Reichert-Jung Ultracut E Microtome (RRID:SCR_020241)

Description: Ultracut E microtome is designed for extremely precise cutting, and achieves consistent high quality ultra thin sections for electron microscopy, or semi-thin sections for light microscopy. It features a continuous feed range from 0 to 2.5,m and has adjustable cutting speeds of 0.1 to 50 mm/sec. Comes with a control box with power cord, a microtome sectioning unit, and a microscope assembly with AO Stereostar 570 zoom body (0.7X - 4.2X) with attached 10X eyepieces. It has a 6V, 10W halogen illumination system.

Resource Type: instrument resource

Keywords: Leica, Ultramicrotome, Instrument Equipment, USEdit

Availability: Commercially available

Resource Name: Leica: Reichert-Jung Ultracut E Microtome

Resource ID: SCR_020241

Alternate IDs: SCR_020426, Model_Number_Ultracut E

Record Creation Time: 20220129T080349+0000

Record Last Update: 20260801T190642+0000

Ratings and Alerts

No rating or validation information has been found for Leica: Reichert-Jung Ultracut E Microtome.

No alerts have been found for Leica: Reichert-Jung Ultracut E Microtome.
