University of British Columbia Vancouver Bioimaging Core Facility

RRID:SCR_021304

Type: Tool

Proper Citation

University of British Columbia Vancouver Bioimaging Core Facility (RRID:SCR_021304)

Resource Information

URL: <http://www.bioimaging.ubc.ca>

Proper Citation: University of British Columbia Vancouver Bioimaging Core Facility (RRID:SCR_021304)

Description: Provides optical and electron microscope infrastructure for live cell imaging, multi photon imaging, advanced sample preparation including cryo-preparation for electron microscopy, routine SEM and TEM, Cryo-TEM, TEM tomography, and Correlative Light and Electron Microscopy (CLEM). Equipped with 4 electron microscopes (1 SEM and 3 TEMs), 2 advanced fluorescence microscopes (confocal/multi-photon and spinning disk), cryo-fixation (High pressure freezer, Vitrobot) and EM processing equipment (Microwave, critical point dryer, coaters).Provides microscopy access, training and service.

Abbreviations: BIF

Synonyms: University of British Columbia Bioimaging Facility, Bioimaging Facility, UBC Bioimaging Facility

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, optical microscope, electron microscope, live cell imaging, multi photon imaging, sample preparation, cryo-preparation, SEM, TEM, Cryo-TEM, TEM tomography

Availability: open

Resource Name: University of British Columbia Vancouver Bioimaging Core Facility

Resource ID: SCR_021304

Alternate IDs: ABRF_1190

Alternate URLs: <https://coremarketplace.org/?FacilityID=1190>

Record Creation Time: 20220129T080354+0000

Record Last Update: 20260905T133421+0000

Ratings and Alerts

No rating or validation information has been found for University of British Columbia Vancouver Bioimaging Core Facility.

No alerts have been found for University of British Columbia Vancouver Bioimaging Core Facility.
