ANGSD

RRID:SCR_021865

Type: Tool

Proper Citation

ANGSD (RRID:SCR_021865)

Resource Information

URL: <https://github.com/ANGSD/angsd>

Proper Citation: ANGSD (RRID:SCR_021865)

Description: Software tool for analysis of next generation sequencing data. Calculates various summary statistics, and performs association mapping and population genetic analyses utilizing full information in next generation sequencing data by working directly on raw sequencing data or by using genotype likelihoods.

Synonyms: Analysis of Next Generation Sequencing Data

Resource Type: data processing software, data analysis software, software resource, software application

Defining Citation: [DOI:10.1186/s12859-014-0356-4](https://doi.org/10.1186/s12859-014-0356-4)

Keywords: analysing NGS data, next generation sequencing data analysis, raw sequencing data, genotype likelihoods

Availability: Free, Available for download, Freely available

Resource Name: ANGSD

Resource ID: SCR_021865

Alternate URLs: <http://www.popgen.dk/angsd/index.php/ANGSD>

License: GPL v2

Record Creation Time: 20220129T080357+0000

Record Last Update: 20260813T055238+0000

Ratings and Alerts

No rating or validation information has been found for ANGSD.

No alerts have been found for ANGSD.
