University of Vermont Larner College of Medicine Flow Cytometry and Cell Sorting Core Facility

RRID:SCR_022147

Type: Tool

Proper Citation

University of Vermont Larner College of Medicine Flow Cytometry and Cell Sorting Core Facility (RRID:SCR_022147)

Resource Information

URL: <http://www.med.uvm.edu/flowcytometry/home>

Proper Citation: University of Vermont Larner College of Medicine Flow Cytometry and Cell Sorting Core Facility (RRID:SCR_022147)

Description: Harry Hood Bassett FCCS Facility is located in Given Medical Research Building Room C316-UVM. Facility provides flow cytometers and personnel provide scientific and technical consultation to faculty and staff in design of flow cytometric experiments, and assistance in data analysis and interpretation.

Abbreviations: FCCS

Synonyms: University of Vermont Larner College of Medicine Flow Cytometry and Cell Sorting Facility, Harry Hood Bassett FCCS Facility, Flow Cytometry and Cell Sorting Facility

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, flow cytometer, scientific and technical consultation, flow cytometric experiments design

Availability: open

Resource Name: University of Vermont Larner College of Medicine Flow Cytometry and Cell Sorting Core Facility

Resource ID: SCR_022147

Alternate IDs: ABRF_16

Alternate URLs: <https://coremarketplace.org/?FacilityID=16>

Record Creation Time: 20220421T050138+0000

Record Last Update: 20260905T133424+0000

Ratings and Alerts

No rating or validation information has been found for University of Vermont Larner College of Medicine Flow Cytometry and Cell Sorting Core Facility.

No alerts have been found for University of Vermont Larner College of Medicine Flow Cytometry and Cell Sorting Core Facility.
