University of Colorado Anschutz Medical Campus Diabetes Research Center Tissue Procurement and Processing Core Facility

RRID:SCR_022904

Type: Tool

Proper Citation

University of Colorado Anschutz Medical Campus Diabetes Research Center Tissue Procurement and Processing Core Facility (RRID:SCR_022904)

Resource Information

URL: <a href="https://medschool.cuanschutz.edu/diabetes-research-center/diabetes-research-cent

Proper Citation: University of Colorado Anschutz Medical Campus Diabetes Research Center Tissue Procurement and Processing Core Facility (RRID:SCR_022904)

Description: Core facilitates access and usage of tissues and services to meet specialized needs of diabetes research community to expedite and catalyze innovative diabetes research at UC AMC. Provides resources to assist DRC investigators with acquisition and processing of rodent and human tissue, and specialized cell lines that are broadly required for diabetes research.

Abbreviations: TPP

Synonyms: University of Colorado Diabetes Research Center Tissue Procurement and

Processing Core

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, USEDit, acquisition and processing of rodent and human tissue,

specialized cell lines, diabetes

Funding: NIDDK P30DK116073

Resource Name: University of Colorado Anschutz Medical Campus Diabetes Research

Center Tissue Procurement and Processing Core Facility

Resource ID: SCR_022904

Record Creation Time: 20221021T050200+0000

Record Last Update: 20250407T220719+0000

Ratings and Alerts

No rating or validation information has been found for University of Colorado Anschutz Medical Campus Diabetes Research Center Tissue Procurement and Processing Core Facility.

No alerts have been found for University of Colorado Anschutz Medical Campus Diabetes Research Center Tissue Procurement and Processing Core Facility.
