ReMM score

RRID:SCR_023095

Type: Tool

Proper Citation

ReMM score (RRID:SCR_023095)

Resource Information

URL: <https://remm.bihealth.org>

Proper Citation: ReMM score (RRID:SCR_023095)

Description: Software tool that scores positions in human genome in terms of their regulatory probability. Regulatory Mendelian Mutation score was created for relevance prediction of non-coding variations (SNVs and small InDels) in human genome (hg19) in terms of Mendelian diseases.

Abbreviations: ReMM score

Synonyms: Regulatory Mendelian Mutation score

Resource Type: software application, software resource

Defining Citation: [DOI:10.1101/2022.03.14.484240](https://doi.org/10.1101/2022.03.14.484240)

Keywords: positions in human genome scoring, regulatory probability, relevance prediction, non-coding variations, SNVs and small InDels, Mendelian diseases, human genome

Availability: Free, Available for download, Freely available

Resource Name: ReMM score

Resource ID: SCR_023095

Alternate URLs: <https://charite.github.io/software-remm-score.html>,
<https://search.datacite.org/works/10.5281/zenodo.1197579>

Record Creation Time: 20230104T050211+0000

Record Last Update: 20260810T040830+0000

Ratings and Alerts

No rating or validation information has been found for ReMM score.

No alerts have been found for ReMM score.
