FuzDrop

RRID:SCR_023675

Type: Tool

Proper Citation

FuzDrop (RRID:SCR_023675)

Resource Information

URL: <https://fuzdrop.bio.unipd.it/predictor>

Proper Citation: FuzDrop (RRID:SCR_023675)

Description: Web tool to predict probability of proteins to undergo liquid-liquid phase separation. Used to perform sequence based identification of both droplet promoting regions and of aggregation promoting regions within droplets. Used to predict droplet promoting regions and proteins, which can spontaneously phase separate.

Resource Type: data access protocol, software resource, web service

Defining Citation: [PMID:33318217](#)

Keywords: protein, liquid-liquid phase separation, separation prediction, sequence based identification, droplet promoting regions, aggregation promoting regions,

Funding: Hungarian Academy of Sciences

Availability: Free, Freely available

Resource Name: FuzDrop

Resource ID: SCR_023675

Record Creation Time: 20230614T050220+0000

Record Last Update: 20260805T044519+0000

Ratings and Alerts

No rating or validation information has been found for FuzDrop.

No alerts have been found for FuzDrop.
