libdivsufsort

RRID:SCR_024079

Type: Tool

Proper Citation

libdivsufsort (RRID:SCR_024079)

Resource Information

URL: <https://github.com/y-256/libdivsufsort>

Proper Citation: libdivsufsort (RRID:SCR_024079)

Description: Software library that implements lightweight suffix array construction algorithm. Provides C API to construct suffix array and Burrows-Wheeler transformed string from given string over constant size alphabet. The algorithm runs in $O(n \log n)$ worst-case time using only $5n + O(1)$ bytes of memory space, where n is the length of the string.

Synonyms: libdivsufsort: A lightweight suffix-sorting library

Resource Type: software resource, software library, software toolkit

Keywords: suffix array construction algorithm,

Availability: Free, Available for download, Freely available,

Resource Name: libdivsufsort

Resource ID: SCR_024079

Alternate URLs: <https://sources.debian.org/src/libdivsufsort/>

License: MIT License

Record Creation Time: 20230824T050211+0000

Record Last Update: 20260801T190857+0000

Ratings and Alerts

No rating or validation information has been found for libdivsufsort.

No alerts have been found for libdivsufsort.
