Type: Tool

Proper Citation

VSEARCH (RRID:SCR_024494)

Resource Information

URL: <https://github.com/torognes/vsearch>

Proper Citation: VSEARCH (RRID:SCR_024494)

Description: Software versatile open source tool for metagenomics. Used for processing and preparing metagenomics, genomics and population genomics nucleotide sequence data.

Resource Type: software resource, data processing software, software application, data analysis software

Defining Citation: [PMID:27781170](#)

Keywords: processing and preparing metagenomics, genomics and population genomics, nucleotide sequence data,

Availability: Free, Available for download, Freely available

Resource Name: VSEARCH

Resource ID: SCR_024494

Record Creation Time: 20231002T161336+0000

Record Last Update: 20260804T043818+0000

Ratings and Alerts

No rating or validation information has been found for VSEARCH.

No alerts have been found for VSEARCH.

Data and Source Information

Usage and Citation Metrics

We found 1348 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
