Evalue

RRID:SCR_024506

Type: Tool

Proper Citation

Evalue (RRID:SCR_024506)

Resource Information

URL: <https://www.evalue-calculator.com/evalue/>

Proper Citation: Evalue (RRID:SCR_024506)

Description: Web application as E-value calculator that compute E-values for variety of outcome measures, including risk ratios, odds ratios, rate ratios, risk differences, hazard ratios, and standardized mean differences.

Resource Type: software resource, source code, web application

Defining Citation: [PMID:29912013](#)

Keywords: E-value calculator, compute E-values for variety of outcome measures,

Availability: Free, Available for download, Freely available

Resource Name: Evalue

Resource ID: SCR_024506

Alternate URLs: https://github.com/mayamathur/evalue_package

Record Creation Time: 20231002T161336+0000

Record Last Update: 20260804T043818+0000

Ratings and Alerts

No rating or validation information has been found for Evalue.

No alerts have been found for Evalue.

Data and Source Information

Usage and Citation Metrics

We found 14 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
