CRISPick

RRID:SCR_025148

Type: Tool

Proper Citation

CRISPick (RRID:SCR_025148)

Resource Information

URL: <https://portals.broadinstitute.org/gppx/crispick/public>

Proper Citation: CRISPick (RRID:SCR_025148)

Description: Web tool for prediction of sgRNAs. Helps to select optimal guide RNA for gene of interest. Support for designing guide libraries. CRISPick ranks and picks candidate CRISPRko sgRNA sequences for targets provided, while attempting to maximize on-target activity and minimizing off-target activity.

Resource Type: software resource, data access protocol, web service

Keywords: sgRNAs prediction, RNA, gene of interest, pick candidate sequences, CRISPRko/a/i sgRNA sequences, maximize on target activity,

Availability: Free, Freely available

Resource Name: CRISPick

Resource ID: SCR_025148

Record Creation Time: 20240327T053241+0000

Record Last Update: 20260801T191312+0000

Ratings and Alerts

No rating or validation information has been found for CRISPick.

No alerts have been found for CRISPick.
