[cuteSV](#)

RRID:SCR_025233

Type: Tool

Proper Citation

cuteSV (RRID:SCR_025233)

Resource Information

URL: <https://github.com/tjiangHIT/cuteSV>

Proper Citation: cuteSV (RRID:SCR_025233)

Description: Software tool for long read based human genomic structural variation detection. Collects signatures of various types of SVs and employs clustering-and-refinement method to analyze signatures to implement sensitive SV detection.cuteSV2 is upgraded version of cuteSV.

Synonyms: cuteSV2

Resource Type: data processing software, software application, data analysis software, source code, software resource

Defining Citation: [DOI:10.1101/2022.08.29.505534](#), [PMID:35751813](#)

Keywords: long-read-based SV detection, structural variation, SV detection, structural variation detection, long read based human genomic structural variation detection,

Funding: NSF of China

Availability: Free, Available for download, Freely available

Resource Name: cuteSV

Resource ID: SCR_025233

License: MIT license

Record Creation Time: 20240409T053245+0000

Record Last Update: 20260815T042933+0000

Ratings and Alerts

No rating or validation information has been found for cuteSV.

No alerts have been found for cuteSV.
