American College of Surgeons National Cancer Database

RRID:SCR_025488

Type: Tool

Proper Citation

American College of Surgeons National Cancer Database (RRID:SCR_025488)

Resource Information

URL: <https://www.facs.org/quality-programs/cancer-programs/national-cancer-database/>

Proper Citation: American College of Surgeons National Cancer Database (RRID:SCR_025488)

Description: Clinical oncology database sourced from hospital registry data collected in Commission on Cancer-accredited facilities. These data are used to analyze and track patients with malignant neoplastic diseases, their treatments, and outcomes.

Abbreviations: NCDB

Resource Type: data or information resource, database

Keywords: Commission on Cancer-accredited facilities, hospital registry data, malignant neoplastic diseases,

Related Condition: cancer, malignant neoplastic,

Availability: Free, Freely available,

Resource Name: American College of Surgeons National Cancer Database

Resource ID: SCR_025488

Record Creation Time: 20240716T053232+0000

Record Last Update: 20260912T200445+0000

Ratings and Alerts

No rating or validation information has been found for American College of Surgeons National Cancer Database.

No alerts have been found for American College of Surgeons National Cancer Database.
