American College of Surgeons National Cancer Database

RRID:SCR_025488

Type: Tool

Proper Citation

American College of Surgeons National Cancer Database (RRID:SCR_025488)

Resource Information

URL: <https://www.facs.org/quality-programs/cancer-programs/national-cancer-database/>

Proper Citation: American College of Surgeons National Cancer Database (RRID:SCR_025488)

Description: Clinical oncology database sourced from hospital registry data collected in Commission on Cancer-accredited facilities. These data are used to analyze and track patients with malignant neoplastic diseases, their treatments, and outcomes.

Abbreviations: NCDB

Resource Type: database, data or information resource

Keywords: Commission on Cancer-accredited facilities, hospital registry data, malignant neoplastic diseases,

Related Condition: cancer, malignant neoplastic,

Availability: Free, Freely available,

Resource Name: American College of Surgeons National Cancer Database

Resource ID: SCR_025488

Record Creation Time: 20240716T053232+0000

Record Last Update: 20260805T044546+0000

Ratings and Alerts

No rating or validation information has been found for American College of Surgeons National Cancer Database.
