Resource Summary Report

Generated by RRID on May 15, 2025

Paris Brain Institute Quantitative Cellular and Molecular Imaging Core Facility

RRID:SCR_026393

Type: Tool

Proper Citation

Paris Brain Institute Quantitative Cellular and Molecular Imaging Core Facility (RRID:SCR_026393)

Resource Information

URL: https://quant.institutducerveau.org

Proper Citation: Paris Brain Institute Quantitative Cellular and Molecular Imaging Core Facility (RRID:SCR_026393)

Description: Core provides expertise in optical microscopy, electron microscopy, and image analysis for neuroscience research. The platform is open to all researchers. Offers access to advanced technologies, including electron microscopy, confocal microscopy, two-photon imaging, and super-resolution microscopy.

Abbreviations: ICM.Quant

Resource Type: service resource, core facility, access service resource

Keywords: ABRF, optical microscopy, electron microscopy, image analysis, confocal microscopy, two-photon imaging, super-resolution microscopy,

Funding: Paris Brain Institute - ICM; Fondation NRJ;

Neuratris:

DIM ITAC 23003059 - 23003070;

Cancéropôle 2024-1-STRUCT-01-ICM-1;

CNRS UMR 7225; INSERM U 1127;

Sorbonne Université UM 75;

LUMIC-IBISA

Availability: Open

Resource Name: Paris Brain Institute Quantitative Cellular and Molecular Imaging Core

Facility

Resource ID: SCR_026393

Alternate IDs: ABRF_3038

Alternate URLs: https://coremarketplace.org/?FacilityID=3038&citation=1

Record Creation Time: 20250207T060346+0000

Record Last Update: 20250514T062052+0000

Ratings and Alerts

No rating or validation information has been found for Paris Brain Institute Quantitative Cellular and Molecular Imaging Core Facility.

No alerts have been found for Paris Brain Institute Quantitative Cellular and Molecular Imaging Core Facility.

Data and Source Information
