## Salk Institute Single-Cell and Spatial Omics Core Facility

RRID:SCR\_026396

Type: Tool

### Proper Citation

Salk Institute Single-Cell and Spatial Omics Core Facility (RRID:SCR\_026396)

### Resource Information

**URL:** <https://www.salk.edu/science/core-facilities/omics/>

**Proper Citation:** Salk Institute Single-Cell and Spatial Omics Core Facility (RRID:SCR\_026396)

**Description:** Core offers single-cell and spatial omics services. Provides consultation, expert guidance in experimental design, and technologies tailored for innovative research in genomics. Facility is equipped with 10x Genomics Chromium X and Xenium systems, Vizgen MERSCOPE, Bruker/NanoString GeoMx Digital Spatial Profiler, and nCounter MAX.

**Abbreviations:** OMICS

**Synonyms:** , Single-Cell and Spatial Omics Core Facility at the Salk Institute, Single-Cell and Spatial Omics Core

**Resource Type:** access service resource, core facility, service resource

**Keywords:** ABRF, single-cell and spatial omics services, genomics, omics, service

**Availability:** Open

**Resource Name:** Salk Institute Single-Cell and Spatial Omics Core Facility

**Resource ID:** SCR\_026396

**Alternate IDs:** ABRF\_3041

**Alternate URLs:** <https://coremarketplace.org/?FacilityID=3041&citation=1>

**Record Creation Time:** 20250207T060346+0000

**Record Last Update:** 20260905T133521+0000

---

## Ratings and Alerts

No rating or validation information has been found for Salk Institute Single-Cell and Spatial Omics Core Facility.

No alerts have been found for Salk Institute Single-Cell and Spatial Omics Core Facility.
