FerrDb

RRID:SCR_026852

Type: Tool

Proper Citation

FerrDb (RRID:SCR_026852)

Resource Information

URL: <http://www.zhounan.org/ferrdb/current/>

Proper Citation: FerrDb (RRID:SCR_026852)

Description: Manually curated database of ferroptosis regulators and ferroptosis-disease associations. There are two secondary categories of ferroptosis regulators: (1) genes and (2) substances. Gene regulators include driver, suppressor, marker, and unclassified regulator. Substances cover range of chemical entities, including pure substances (e.g., iron, erastin) and mixtures (e.g., herbal extracts). Substance regulators include inducers and inhibitors. FerrDb V2 is updated database.

Synonyms: FerrDb V2

Resource Type: data or information resource, database

Defining Citation: [PMID:36305834](#), [PMID:32219413](#)

Keywords: Manually curated database, ferroptosis regulators, ferroptosis-disease associations,

Funding: Guangzhou Municipal Psychiatric Disease Clinical Transformation Laboratory ;
Guangzhou Municipal Key Discipline in Medicin ;
National Natural Science Foundation of China

Availability: Free, Freely available

Resource Name: FerrDb

Resource ID: SCR_026852

Record Creation Time: 20250429T054934+0000

Record Last Update: 20260804T043922+0000

Ratings and Alerts

No rating or validation information has been found for FerrDb.

No alerts have been found for FerrDb.
