The Geoscience Data Exchange

RRID:SCR_026989

Type: Tool

Proper Citation

The Geoscience Data Exchange (RRID:SCR_026989)

Resource Information

URL: <https://gdex.ucar.edu/>

Proper Citation: The Geoscience Data Exchange (RRID:SCR_026989)

Description: Provides data for atmospheric and ocean sciences research. Contains collection of meteorological, atmospheric composition, and oceanographic observations, and operational and reanalysis model outputs, integrated with NSF NCAR High Performance Compute services to support atmospheric and geosciences research. The RDA is managed by the Data Engineering and Curation Services group of the Computational and Information Systems Laboratory at the NSF National Center for Atmospheric Research.

Abbreviations: GDEX

Synonyms: , NSF NCAR Research Data Archive, NCAR repository, National Center for Atmospheric Research repository

Resource Type: storage service resource, service resource, data repository

Keywords: atmospheric and ocean sciences data, meteorological, atmospheric composition, oceanographic observation, atmospheric and geosciences research,

Funding: National Science Foundation

Availability: Free, Freely available

Resource Name: The Geoscience Data Exchange

Resource ID: SCR_026989

Alternate URLs: <https://rda.ucar.edu>

Record Creation Time: 20250528T060713+0000

Record Last Update: 20260815T042927+0000

Ratings and Alerts

No rating or validation information has been found for The Geoscience Data Exchange.

No alerts have been found for The Geoscience Data Exchange.
