University College London School of Pharmacy Mass Spectrometry Core Facility

RRID:SCR_027307

Type: Tool

Proper Citation

University College London School of Pharmacy Mass Spectrometry Core Facility
(RRID:SCR_027307)

Resource Information

URL: <https://www.ucl.ac.uk/pharmacy/about/facilities/mass-spectrometry>

Proper Citation: University College London School of Pharmacy Mass Spectrometry Core Facility (RRID:SCR_027307)

Description: Core offers services including high throughput, high mass accuracy tandem mass spectrometry coupled with liquid chromatography. Research within the facility ranges from basic biomolecular science and biochemical studies through to proteomics, metabolomics and drug-protein and drug-nucleic acid interactions.

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, high mass accuracy tandem mass spectrometry, liquid chromatography, proteomics, metabolomics, drug-protein and drug-nucleic acid interactions,

Resource Name: University College London School of Pharmacy Mass Spectrometry Core Facility

Resource ID: SCR_027307

Alternate IDs: ABRF_4087

Alternate URLs: https://coremarketplace.org/RRID:SCR_027307/?citation=1

Record Creation Time: 20250814T065259+0000

Record Last Update: 20260905T133544+0000

Ratings and Alerts

No rating or validation information has been found for University College London School of Pharmacy Mass Spectrometry Core Facility.

No alerts have been found for University College London School of Pharmacy Mass Spectrometry Core Facility.
