Proper Citation: Tokyo Chemical Industry (RRID:SCR_028220)

Description: Tokyo Chemical Industry Co., Ltd. (TCI) is a leading global manufacturer of specialty organic chemicals, founded in 1946. They produce over 30,000 research chemicals, including laboratory chemicals, reagents, and functional materials. TCI also acts as a supplier, offering custom synthesis and bulk production from milligrams to tons.

Synonyms: , Tokyo Chemical Industry Co Ltd, Ltd. (TCI), Tokyo Chemical Industry Co.

Resource Type: commercial organization, production service resource, reagent supplier, reagent manufacture, material service resource, service resource, material resource

Keywords: organic chemicals, laboratory chemicals, reagents, functional materials, custom synthesis, bulk production

Resource Name: Tokyo Chemical Industry

Resource ID: SCR_028220

Record Creation Time: 20260402T060015+0000

Record Last Update: 20260815T183310+0000

Ratings and Alerts

No rating or validation information has been found for Tokyo Chemical Industry.

No alerts have been found for Tokyo Chemical Industry.
